17th March, 2023

Dear Dr Shaydakov,

On behalf of the International Union of Phlebology (UIP), we would like to thank you for your recent application to join the UIP Education Committee. The UIP received an extraordinarily large number of applications to join the committee, with each application reviewed against selection criteria outlined in the UIP Policy Manual.

We are pleased to inform you that your application to the UIP Education Committee has been successful and we would like to welcome you to join the committee for the 2023-2025 Education Committee term.

The UIP Education Committee is Chaired by Dr Pauline Raymond-Martimbeau and will be tasked with improving the standards of knowledge, education and training in phlebology for the benefit of medical practitioners and patients worldwide. The [UIP Policy Manual \(Policy 4\)](#) and [UIP Constitution](#) further outlines the objectives, activities and regulations of the committee and the UIP in general and we suggest that you familiarise yourself with these documents.

The UIP will send you an invitation to an introductory Zoom meeting where you will be introduced to other members of the Education Committee and where we will discuss the plans for the committee. We will then commence conducting regular Zoom meetings with the Education Committee. We would also like to invite you to a face-to-face meeting of the Education Committee to be held during the UIP World Congress in Miami in September, 2023. Further details for this meeting will be sent to you in due course.

Congratulations on your appointment to the UIP Education Committee. We look forward to your involvement in the committee and to improving the standards of phlebology education worldwide.

Best wishes,

Prof. Kurosh Parsi
President,
International Union of Phlebology

Dr Pauline Raymond Martimbeau
Chair, Education Committee,
International Union of Phlebology
