

Dr. Shaydakov

October 9 th.

8:00 - 9:30

AMERICA A ROOM

INTERCONTINENTAL SESSION 3

***Phlebology and Endovascular Therapy Association of El Salvador
Radiofrequency (RF) thermal treatments in obese patients performed in the
doctor's office***

Luis Rodríguez Reyes (El Salvador)

discussants: Hitoshi Sakuda (Japan)

***Italian Society of Clinical and Experimental Phlebology
PRP for ulcers: state of the science***

Massimo Danese

discussants: Santiago de Salas (Argentina)

Romanian Society of Phlebology

Treating varicose veins in a public hospital - Romania scenario

Sergiu Ciprian Matei (Romania)

discussants: Fedor Lurie (USA)

Slovenian Phlebological and Lymphological Society

Challenges in mixed arterial/venous wounds management

Elena Goranova

discussants: Roberto Mengarelli (Argentina)

National College of Phlebology (Russia)

***Personalization criteria for the delayed tributaries treatment
after endovenous thermal ablation***

Denis Borsuk (Russia)

discussants: Calderon G (ECUADOR)

Peruvian Society of Phlebology and Lymphology

PRP in woundcare

Ana Sarmiento (Peru)

discussants: M Amamou (Tunisia), Hyangkyoung Kim (S Korea)

Dominican Society of Vascular and Endovascular Surgery

From acute to Chronic thoracic central venous occlusion (TCVO)

Andres Marin (Dominican Republic)
discussants: O Shved (Ukraine)

***Austrian Society of Phlebology and Angiology, Dermatology
The swollen leg: between Dermatology and Phlebology***

Tzaneva S (Austria)
discussants: Nicolas Neaume (France), Tomas Cortez (Peru)

***Saint Petersburg Society of Phlebology
Venous ulcer Treatment***

Evgeny Shaydakov (Russia)
Pablo Jorrat (Argentina)

October 9 th.

14:00 - 15:30

AFRICA ROOM

INNOVATIONS

**Chair: David Lesnik (Argentina), Jorge Fernández (Argentina)
Moderator Pablo Pardal (Argentina)
Secretaries: Gabriela Itati Aldana (Argentina) Catarina Almeida (Brazil)**

Microfoam Technologies innovations

Solange Evangelista (Brazil)
discussant
Suat Doganci (Turkey),

Efficiency of application Portentus3 (NPFF) in the treatment of chronic venous diseases: open, comparative, multicenter prospective study

Evgeny Shaydakov (Russia)
discussant
Hector Alfonso (Argentina)

Evolution of antithrombotic therapy: from DOACs to FXI inhibitors

Paolo Tondi (Italy)
discussant
Hugo Navas (Venezuela)

Why do I recommend sclerotherapy in CEAP C5, C6 and Lymphedema?

Anderson Gariglio Rocha (Brazil)
discussant
Alfredo Prego (Uruguay)

First-in-Human Clinical Trial Evaluating a Novel Mechanical-Chemical Ablation Device for Axial Venous Reflux

Lowell Kabnick (USA)
discussant
Tomas Alberti (Venezuela)

Preliminary Experience With 5G-based Robot-assisted Remote Ultrasound In Vascular Field

Edoardo Cervi (Italy)
discussant
David Connor (USA)

The use of adhesive glues for obliteration of the main vein varicosities (multicenter comparative trial)

Evgeny Shaydakov (Russia)
discussant

Non-rotational mechanochemical ablation by Flebogrif catheter – lesson learned

Tomasz Urbanek (Poland)

October 9 th.

15:45 - 17:15

AMERICA B ROOM

SCLEROTHERAPY

Chair: Alberto Martinez (El Salvador), Miguel Avramovic (Argentina)

Moderator: Evgeny Shaydakov (Russia)

Secretary: Sofia Avramovic (Argentina) Sergio Garbaz (Argentina)

Sclerotherapy Safety

Josnin M (FRANCE)
discussant
Miguel Boris Avramovic (ARGENTINA)

Sclero-pharmacology

Cabrera J (SPAIN)
discussant
Daena AlQedrah (UAE)

Appropriate Sclerotherapy technical notes

Lensel AS (FRANCE)
discussant
Tzaneva Stanislava (AUSTRIA)

Sclerotherapy I saw

Mako S (FRANCE)

discussant

Sohiel Ayman (EGYPT)

Two Thirds Of All Saphenous Veins Can Be Effectively Treated With Ultrasound-guided Foam Sclerotherapy Alone

Tobias Hirsch (Germany)

discussant

Marcelo Venecia (Argentina)

Ultrasound-guided foam sclerotherapy: a viable therapy in the developing world

Miriam Matamoros (Costa Rica)

discussant

Emanuel Helvig (Argentina)

The unlimited limits of sclerotherapy with foam

Francisco Reis Bastos (Brazil)

discussant

Ricardo Lorenz (Argentina)

EVLA and Foam Sclerotherapy: the one shot therapy

Christian Baraldi (Italy)

Discussant

Roberto Venesia (Argentina)

FRIDAY 10 th.

8:00 - 9:30

AMERICA B ROOM

CVD TREATMENT

VENOUS ACTIVE DRUGS & COMPRESSION

Chair: Eduardo Halusch (Argentina), Armando Schapira (Argentina)

Moderator: Martin Mazzurco (Argentina), Luis Rodriguez (El Salvador)

Secretary: Rene Arturo Hernandez (El Salvador), Clara Perez (Argentina), Laura García (Argentina)

VAD safety

Lorena Grillo (Costa Rica)

discussant

Geovany Soto (Mexico)

VADS indications

Mathiew Josnin (France)

discussant

Alexandre Shiomi (Brazil)

VAD met and unmet needs

Sergio Giancesini (Italy)

discussant

Jorge Segura (Argentina)

New Generation of Venoactive Drugs

Evgeny Shaydakov (Russia)

discussant TBD

compression in healthy subject

Ayman Fakhry (Egypt)

discussant

Jorge Flores (Paraguay)

compression for conservative venous treatment

Benigni JP (France)

discussant

Galo Augusto Chacon (Chile)

The 2025 Japanese Society of Phlebology (JSP) Clinical Practice Guidelines for Compression Therapy in Venous Disease

Takahiro Imai (Japan)

Teresa López (Argentina)

compression in lymphedema & lipedema

Isabelle Aloï (Mexico)

discussant

Milton Cortez (Peru)

Friday 10 th.

9:45 - 11:15

AFRICA ROOM

HOT VENOUS TOPICS

Chair: David Lesnik (Argentina), Diego Ferrari Tropper (Argentina)

Moderator: Estela Medina (Argentina)

Secretary: Clelia DI Loreto (Argentina), Miguel Boris Avramovic (Argentina)

Controlling CVD progression

Willy Chi (USA)

discussant

Lina Vargas Abello (USA)

Reconstructive vein surgery: from Vedensky spiral to modern concepts

Evgeny Shaydakov (Russia)

discussant

Alvaro Orrego (Chile)

Hemodynamics evolution

Giuseppe Genovese (Italy)

discussant

Yuxin Chen (CHINA)

Improving Sustainability In Phlebological Treatments

Briggite Visch (Netherlands)

discussant

Julio Montilla (Venezuela)

Bridging the Gap between medical and aesthetic care in a modern vein clinic: integrating aesthetic technologies to address functional and cosmetic concerns

Lina Vargas Abello (USA)

discussant

Roberto Venesia (Argentina)

Varicose veins surgery - is it still an option?

Sergiu Ciprian Matei (Romania)

discussant

Wijnand Van Gent (Netherlands)

SONOVEIN HD -- The top of Ultrasound therapy for Chronic Venous Disease

Simon Julinek (Czech Republic)

discussant
