

18TH SAINT PETERSBURG VENOUS FORUM

— CHRISTMAS MEETINGS —

PROGRAM

26-28.11.2025

Organizers:

Saint Petersburg Society of Phlebology (SPSP)
A self-regulatory organization, Association “National College of Phlebology”
Petrozavodsk State University
N.N. Petrov National Medical Research Center of Oncology

Presidium members:

Prof. Gamid Askerkhanov (Russia, Makhachkala)
Prof. Sergey M. Belentsov (Russia, Ekaterinburg)
Prof. Alexey Belyaev (Russia, Saint Petersburg)
Prof. Natalia A. Bubnova (Russia, Saint Petersburg)
Dr. Denis A. Borsuk (Russia, Chelyabinsk)
Prof. Vladimir N. Zolkin (Russia, Moscow)
Prof. Andrey A. Karpenko (Russia, Novosibirsk)
Dr. Kirill V. Lobastov (Russia, Moscow)
Hovsep P. Manjikian (Russia, Moscow)
Dr. Sergey I. Pryadko (Russia, Moscow)
Dr. Alexey S. Petrikov (Russia, Rostov-on-Don)
Dr. Vladimir V. Sabelnikov (Russia, Saint Petersburg)
Prof. Sergey V. Sapelkin (Russia, Moscow)
Dr. Vladimir Yu. Tolstikhin (Russia, Krasnoyarsk)
Prof. Nikolay G. Khorev (Russia, Barnaul)
Prof. Alexander G. Khitryan (Russia, Rostov-on-Don)
Dr. Askhat S. Sharipov (Kazakhstan, Alma-Ata)
Prof. Ravshan Sunnatov (Uzbekistan, Tashkent)
Dr. Alexey Fetyukov (Russia, Petrozavodsk)
Prof. Ernest A. Scheglov (Russia, Petrozavodsk)
Dr. Javier Alfredo Serralde Gallegos (Mexico)
Dr. Mamoun Albasheer (Jordan, Amman)
Dr. Alexander Flor (Austria, Vienna)
Dr. Sergio Giancesini (Italy, Ferrara)
Prof. Lowell Kabnick (USA, New York)
Dr. Victor Canata (Paraguay)

President of the Forum, Chairman:

Prof. Evgeny V. Shaydakov (Russia, Saint Petersburg)

Co-Chairmen:

Prof. Vadim Yu. Bogachev (Russia, Moscow)
Prof. Alexey A. Fokin (Russia, Chelyabinsk)
Prof. Bakhtiyor Z. Tursunov (Uzbekistan, Tashkent)
Prof. Tokan A. Sultanaliev (Kazakhstan, Alma-Ata)
Prof. Vladimir Khryshanovich (Belarus, Minsk)
Dr. Javier Alfredo Serralde Gallegos (Mexico)

NOVEMBER 26 (WEDNESDAY)

1st FLOOR, MOSKOVSKY CONGRESS HALL

08:00 REGISTRATION ON-SITE

09:00-09:15 OPENING CEREMONY

GREETINGS FROM THE ORGANIZERS

***Chairman of the Committee on Science and Higher Education
of Saint Petersburg Andrey Maximov (Russia),
Chairman of the National College of Phlebology
Sergey Belentsov (Russia),
WUIP President Sergio Giancesini (Italy),
President of Mexican Academy of Phlebology and Lymphology,
UIP Vice-President Javier Alfredo Serralde Gallegos (Mexico)***

09:15-11:30 SESSION I

***Chairs: Evgeny Shaydakov (Russia, Saint Petersburg), Vadim
Bogachev (Russia, Moscow), Javier Alfredo Serralde Gallegos
(Mexico), Bakhtiyor Tursunov (Uzbekistan, Tashkent)***

09:15-09:25 Evgeny Shaydakov (Russia), Sergio Giancesini (Italy), Oskar Bottini (Argentina)
UIP World Congress (World International Union of Phlebology, WUIP), Buenos Aires (Argentina)

09:25-09:40 Denis Borsuk, Sergey Belentsov (Russia)
Association "National College of Phlebology" – a 10-year journey

09:40-09:50 Vadim Bogachev (Russia)
Outpatient Phlebology: Past, Present, and Future

09:50-10:00 Javier Alfredo Serralde Gallegos (Mexico)
How to avoid complications from thermal ablation

10:00-10:10 Evgeny Shaydakov (Russia)
Biological activity of venoactive drugs.
A new step in the development of domestic phlebology

10:10-10:20 Andrey Karpenko (Russia)

Problems and prospects for treating acute pulmonary embolism with high and intermediate risk of early death

10:20-10:30 Vladimir Zolkin (Russia)

Pulmonary embolism: how to improve treatment outcomes?

10:30-10:40 Alexey Fokin (Russia)

"Gray area" of clinical recommendations: prevention of PE in patients from 2 to 10 days after an episode of intracranial hemorrhage

10:40-10:50 Igor Sonkin (Russia)

with the support of Medi Rus

The place of open surgery in the age of endophlebology

10:50-11:00 Mamoun Albasheer (Jordan)

Establishing venous centers: the way forward

11:00-11:15 Alexey Svetlikov (Russia)

with the support of Binnopharm Group

Clinical observation: differential diagnosis and treatment of paradoxical embolism in a modern hospital setting

11:15-11:30 Alexander Flor (Austria)

Ultrasound guided Endolasertherapy: The Past-The Present-The Future

11:30-12:00 Break

12:00-14:05 SESSION II

Chairs: Alexey Fokin (Russia), Mamoun Albasheer (Jordan), Ravshan Sunnatov (Uzbekistan)

12:00-12:10 Sergey Beletsov (Russia)

Optimization of radiofrequency ablation of large-diameter great saphenous veins

12:10-12:20 Dilshot Mamadaliev (Russia)

Steam thermal ablation: effectiveness of the new method in vein obliteration – a comparative experimental study *in vitro* and *in vivo*

12:20-12:30 Galymzhan Akilbekov (Kazakhstan)

Rare complications of endovenous treatment of varicose veins

12:30-12:40 Ernest Sheglov (Russia)

A new generation of venoactive drugs: potential and prospects

12:40-12:50 Sabir Aidayev (Russia)

Varicose vein recurrence after surgical treatment: what are we doing wrong? (Or where are we going?)

12:50-13:00 Oleg Skorobogatov (Russia)

Results of treatment of patients with chronic venous diseases of the lower extremities with class CEAP C2 using a laser generator with a wavelength of 1.94 μm

13:00-13:10 Nikolay Tarabarko (Russia)

Results of thermal methods of endovascular obliteration in the treatment of varicose veins of the lower extremities in patients after heart transplantation

13:10-13:20 Ulugbek Khamdamov (Uzbekistan)

Early endovenous laser obliteration and endovascular methods of treatment of venous trophic ulcers

13:20-13:30 Vadim Bogachev (Russia)

The Magic Super Full multifunctional laser platform's potential for treating superficial venous malformations

13:30-13:40 Andrey Shvedov (Russia)

Treatment of Post-sclerotherapy Pigmentation With Microsecond Nd:YAG 1064 nm

13:40-13:55 Hovsep Manjikian (Russia)

The Power of Gentle Compression: Can 1st Class Post-operative Compression Be Equally Effective?

13:55-14:05 Andrey Maryasov (Russia)

Aerolase is an indispensable tool in the practice of a modern phlebologist

14:05-14:50 Break

**14:50-16:00 Multimorbid patient with CVD:
features of diagnosis and treatment
(with the support of JSC Servier)**

14:50-14:55 Introduction: Vadim Bogachev (Russia)

14:55-15:05 Sergey Sapelkin (Russia)
CVD and arterial hypertension

15:05-15:15 Kirill Lobastov (Russia)
CVD and metabolic syndrome

15:15-15:25 Mariana Abritsova (Russia)
CVD and hemorrhoids

15:25-15:35 Olga Dzhénina (Russia)
Premenopausal period and CVD

15:35-15:40 Vadim Bogachev (Russia)
CVD in context of multimorbidity

15:40-16:00 Discussion

16:00-17:00 SESSION III

***Chairs: Sergey Belentsov (Russia), Sergey Sapelkin (Russia),
Alexander Flor (Austria)***

16:00-16:10 Alexander Sannikov (Russia)
THE effectiveness of using the new Russian venoactive agent
PORTENTUS 3 (hmc+her+vitc) in the treatment of chronic
venous diseases

16:10-16:25 Sergey Markin (Russia)
Perioperative use of vasoactive drugs - routine or rare
prescriptions?

16:25-16:35 Anna Meltsova (Russia)
Complex treatment of patients with chronic venous
insufficiency C3-C4

16:35-16:45 Mikhail Svatkovskiy (Russia)
Do we need venoactive drugs?

16:45-16:55 Alexey Petrikov (Russia)
Current trends in the treatment of chronic venous diseases

16:55-17:10 Ernest Sheglov (Russia)
with the support of JSC Servier
And yet, they are declining. New clinical evidence of the
venotonic effect of MPFF

17:10-18:00 v-WIN Foundation road to Dubai World Congress
SAINT-PETERSBURG VENOUS FORUM

***Chairs: Evgeny Shaydakov (Russia), Alexander Flor (Austria),
Sergio Giancesini (Italy)***

17:10-17:20 Sergio Giancesini (Italy)
Le.G.athering Global Project rationale
Discussant: Evgeny Shaydakov (Russia)

17:20-17:30 Raoul Saggini (Италия)
VASCULAR REHABILITATION: physiatry and vascular synergy
Discussant: Gennady Ponomarenko (Russia)

17:30-17:40 Edmondo Palmeri (Italy)
A venous-lymphatic drug called...FOOD
Discussants: Igor Khoroshilov, Ernest Sheglov (Russia)

**17:40-17:50 PHLEBOncology: lymphedema, thrombosis and best synergy
in between oncology and phlebology**
Discussants: Sergey Bagnenko, Alexey Petrikov (Russia)

17:50-18:00 Conclusion

19:00-22:00
Mikhailovsky theatre
La Notre-Dame de Paris ballet
Transfer by bus

NOVEMBER 27 (THURSDAY)

09:30-15:00 VISIT TO THE HERMITAGE

**Guided tour, by bus.
Brunch at the hotel Astoria after the excursion.**

15:00-16:00 SESSION VIII

Chairs: Vladimir Sabelnikov (Russia), Hovsep Manjikian (Russia), Anna Meltsova (Russia)

15:00-15:10 Daria Fedotova (Russia)

Experience in establishing a multifunctional clinical transplantation biobank

15:10-15:20 Alexander Sannikov (Russia)

The molecular basis of the formation of mechanotransduction of shear stress of endothelial cells of the venous wall into its biological activity

15:20-15:30 Hovsep Manjikian (Russia)

Outcomes of Periorbital Vein Treatment Using a Micro-second Laser

15:30-15:40 Dmitry Rodnyansky (Russia)

Surgical treatment of varicose veins of the lower extremities from surgery to minimally invasive technologies

15:40-15:50 Almaz Vanurkin (Russia)

Minimally invasive technologies in the treatment of chronic venous insufficiency

15:50-16:00 Denis Borsuk (Russia)

Phlebology CRM Module – From Concept to Result

16:00-17:00 SESSION IX
VENOUS AND LYMPHATIC UNIVERSITY (VLU)
AND SAINT- PETERSBURG VENOUS FORUM

Honorary chairs: Evgeny Shaydakov (Russia), Denis Borsuk (Russia), Shoaib Padaria (India)

*Presidents: Rashad Bashara (Egypt),
A. Kursat Bozkurt (Türkiye), Anil Hingorani (USA)*

Moderators: Evgeny Shaydakov (Russia), Lowell Kabnick (USA), Victor Canata (Paraguay), Elena Murzina (Russia)

16:00 **Introduction: Lowell Kabnick (USA)**

16:02 **Takaya Murayama (Japan)**
DEEP VENOUS THROMBOSIS: SPACE – ASTRONAUTS;
COMMERICAL FLYING – PASSENGERS
Discussant: Ernest Sheglov

16:11 **Ahmed Gaweesh (Egypt)**
GREY ZONES IN ENDOTHERMAL ABLATIONS
Discussant: Vadim Bogachev

16:20 **Alun Davies (UK)**
PROPHYLAXIS AFTER VARICOSE VEIN SURGERY
Discussant: Alexey Fokin

16:29 **Nuttawut Sermsathanasawad (Thailand)**
WHAT IS THE DIFFERENCE BETWEEN ENDOVENOUS GLUE
INDUCED THROMBOSIS(EGIT) Vs TEACAC(THROMBUS
EXTENSION AFTER CYANOACRYLATE CLOSURE)
Discussant: Sergey Belentsov

16:38 **Nara Medeiros (Brazil)**
TOTAL ENDOVENOUS LASER ABLATION
Discussant: Hovsep Manjikian

16:47 **Makis Avgerinos (Greece)**
WHAT HAVE WE LEARNED REGARDING ILIOFEMORAL STENTS
AND MAY-THURNER
Discussant: Olga Dzhennina

17:00-18:00 SESSION X

***Chairs: Denis Borsuk (Russia), Olga Dzhenina (Russia),
Alexander Flor (Austria)***

17:00-17:10 Javier Alfredo Serralde Gallegos (Mexico)
Non-Rotational Mechanochemical Ablation in the Treatment
of the Superficial Venous Insufficiency

17:10-17:20 Mamoun Albasheer (Jordan)
Endovenous glue ablation: is the concern justified

17:20-17:30 Alexander Flor (Austria)
Trends in aesthetic phlebology

17:30-17:40 Artur Bagdasaryan (Russia)
First experience of correction of the central vein of the
forehead using endovenous laser ablation

17:40-17:50 Elena Murzina (Russia)
The ethical duty of a phlebologist to a bariatric patient

17:50-18:00 S.V. Kulagin (Russia)
Treatment of venous thrombosis in orthopedics and
traumatology

19:00 GALA DINNER

**(Palace of Chancellor of Russian Empire
A.A. Bezborodko)**

**The presentation of the Gold Medal
"For Outstanding Achievements in Phlebology"**

NOVEMBER 28 (FRIDAY)

**09:30-15:00 VISIT TO TSARSKOE SELO,
THE FAMOUSE AMBER ROOM**

**Guided tour, by bus.
Lunch at the restaurant after the excursion**

18th SAINT-PETERSBURG VENOUS FORUM (CHRISTMAS MEETINGS)
